

LADIES OF THE LAKES QUILTERS GUILD
ACTIVITY REGISTRATION

One completed registration is required for each activity you want to attend. Paid activity fees are not refundable and you may not move payments from one activity to another.

Fees are determined by the number of members and guests who sign up for an activity, i.e., classes, bus trips, Christmas Party, etc. For classes, a national teacher will be more expensive than a local teacher. We will try to offer as much variety in classes as possible.

Prices of activities, registration forms, dates and times of events will all be posted on our website: <https://ladiesofthelakes.org>

If an activity is full, you can be put on a waiting list by sending a message with your name and phone number to Jacqui Anderson at (863) 858-1630 or via email to sewbizzy67@gmail.com

You must complete this form and return it with your check to register for guild activities
